

Demetri Yannopoulos, M.D.

Professor of Medicine and Emergency Medicine
The Robert Eddy Endowed Chair in Cardiovascular Resuscitation
Medical Director, Minnesota Resuscitation Consortium
Director of Research, Interventional Cardiology Section

yanno001@umn.edu

A graduate of the University of Athens Medical School in Greece, Dr. Yannopoulos completed his residency and cardiology fellowship at the University of Minnesota, then went on to finish his Interventional Cardiology fellowship at the Johns Hopkins University. He joined the University of Minnesota faculty in 2008.

Dr. Yannopoulos is an Interventional Cardiologist at the University of Minnesota Medical Center (UMMC) with board certifications in Internal Medicine, Cardiovascular Medicine and Interventional Cardiology. He received the Robert Eddy Endowed Chair for Resuscitation Medicine and was appointed this past year as Professor of Medicine at the University of Minnesota.

Dr. Yannopoulos has conducted studies in the areas of cardiopulmonary resuscitation, hypovolemic shock and hypothermia and has investigated in depth cardiopulmonary and thoracic-cranial interactions focusing on optimization of blood flow and vital organ outcomes.
